

Social Media Intern for Forest Service National Partnerships Office

Project Title	Social Media Intern for Forest Service National Partnerships Office
Project Summary	Help create and manage social media content for the Forest Service's National Partnership Office Twitter, Instagram, and Facebook presence.
Country	United States
Country/Region of Focus	Global

Project Description

With over 150,000 followers, the Forest Service social media accounts are a vital gateway with which to tell the story of our National Forests. The ideal intern will use their storytelling and graphic design skills to create social media content for U.S. and international audiences. The social media intern will help collect, create, and draft content for each of our three platforms. Interns with graphic design and videography experience will also have the opportunity to create pictograms and other visuals.
